1. INTRODUCTION

There are "Ghostbuster", "Max 2, "99" and "Change arround" in this cartridge. If you are a man who loves the card games, you may enjoy youself in them. We do some little change in them for that they can be palyed on famicom, but we still remain their original spirit. They are simply in rules that make you easy to understand and play. The cartridge has taken a long time to complete, so we believe that they will be lots of fun and maybe need a little concentrate of your mind to play. We wish that the cartridge will give you pleasure and kill your time.

PRECAUTIONS

1) Store at room temperature. Do not subject to environmental extremes.
